# Coordinating Care to Improve Outcomes in Patients with Psoriatic Arthritis

## Bridging Rheumatology and Dermatology

### FACULTY

#### Allan Gibofsky, MD, JD, MACR, FACP, FCLM

Professor of Medicine, Healthcare Policy and Research  
Weill Medical College of Cornell University  
Attending Rheumatologist  
Hospital for Special Surgery  
New York, NY

#### Leon H. Kircik, MD

Associate Clinical Professor of Dermatology  
Ichan School of Medicine at Mount Sinai  
New York, NY  
Associate Clinical Professor of Dermatology  
Indiana University Medical Center  
Indianapolis, IN  
Medical Director  
Physicians Skin Care, PLLC  
DermResearch, PLLC  
Louisville, KY

### AGENDA

#### 7:20AM – 7:25AM

Buffet Breakfast/Introductions

#### 7:25AM – 7:30AM

Patient Story Presentation

#### 7:30AM – 7:40AM

Simulation Module 1 Participation: Recognition, Referral, Diagnosis

#### 7:40AM – 7:50AM

Faculty Discussion and Presentation of Evidence

#### 7:50AM – 8:00AM

Simulation Module 2 Participation: Treatment

#### 8:00AM – 8:10AM

Faculty Discussion and Presentation of Evidence

#### 8:10AM – 8:20AM

Faculty Feedback and Q&A

#skinCME

# Coordinating Care to Improve Outcomes in Patients with Psoriatic Arthritis

## Bridging Rheumatology and Dermatology

### LEARNING OBJECTIVE

- Implement appropriate, guideline-directed screening approaches in patients with psoriasis to facilitate a prompt diagnosis of PsA.
- Describe current treatment recommendations and emergent therapies for PsA.
- Strategize ways that specialists in rheumatology and dermatology can work together to improve detection and treatment of PsA.

The following learning objectives pertain only to those requesting CNE credit:

- Identify appropriate, guideline-directed screening approaches in patients to facilitate a prompt diagnosis of PsA.
- Describe current treatment recommendations and emergent therapies for PsA.
- Identify strategies that specialists in rheumatology and dermatology can use to work together to improve detection and treatment of PsA.

### TARGET AUDIENCE

Rheumatologists, dermatologists, physician assistants, pharmacists, nurses, and other healthcare professionals with an interest in psoriatic arthritis.

### COMMERCIAL SUPPORTER STATEMENT

Supported by an educational grant from Novartis Pharmaceuticals Corporation.

For more information about this no fee symposium visit  
[www.CMEOutfitters.com/PsA](http://www.CMEOutfitters.com/PsA)

### ACCREDITATION STATEMENTS

**CME Credit:** CME Outfitters, LLC, is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CME Outfitters, LLC, designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**CNE Credit:** Provider approved by the California Board of Registered Nursing, Provider Number CEP 15510, for 1.0 contact hour.

**Note to Nurse Practitioners and Clinical Nurse Specialists:** the content of this activity pertains to pharmacology. Earn up to 1.0 contact hour of pharmacotherapeutic contact hours.

**CPE Credit:** CME Outfitters, LLC, is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. 1.0 contact hour (0.10 CEU)

**Universal Activity Number:**  
0376-0000-17-004-L01-P

**Type:** knowledge-based

## Coordinating Care to Improve Outcomes in Patients with Psoriatic Arthritis Bridging Rheumatology and Dermatology

### **Allan Gibofsky, MD, JD, MACR, FACP, FCLM**

Weill Medical College of Cornell University  
Hospital for Special Surgery  
New York, NY

#### **Biography**

Dr. Gibofsky is Professor of Medicine, Healthcare Policy and Research at Weill Cornell Medicine and Adjunct Professor of Law at Fordham University

School of Law. He is an Attending Physician and Rheumatologist at New York Presbyterian Hospital and Hospital for Special Surgery, where he is Co-Director of the Clinic for Inflammatory Arthritis and Biologic Therapy.

Dr. Gibofsky received his undergraduate degree from Brooklyn College of the City University of New York, his MD from Weill Medical College of Cornell University and his law degree from Fordham University. He did his internship in Pathology, followed by a residency in Medicine at New York Hospital. He completed a fellowship in Rheumatology/Immunology jointly at Hospital for Special Surgery and at The Rockefeller University. Dr. Gibofsky has authored or co-authored numerous papers and text chapters, primarily on the immunogenetics of rheumatic diseases and legal aspects of medical practice. He is known for his work on mechanisms of host-microbe interactions in rheumatology, and, in particular for his basic and clinical studies on rheumatic fever as well as for his work on therapeutic strategies in the treatment of inflammatory rheumatic diseases.

Currently Secretary-Treasurer of The New York Rheumatism Association, Dr. Gibofsky is Past-Chair of the Medical & Scientific Committee of the New York Chapter of The Arthritis Foundation and received their Physician's Leadership Award. He also served as a member of the local and national Arthritis Foundation Board of Trustees, and was Chair for Professional Education.

Dr. Gibofsky has participated in numerous professional and public education programs, nationally and internationally. He is a past president of the American College of Legal Medicine, and is past Chair of the American Board of Legal Medicine. In 2002, Dr. Gibofsky served as President of the American College of Rheumatology; in 2014, he was named a Master of the American College of Rheumatology.

Dr. Gibofsky is a Jonas Salk Scholar of the City University and in 1997, he was named Alumnus of the Year by Brooklyn College.

### **Leon H. Kircik, MD**

Ichan School of Medicine at Mount Sinai, New York, NY  
Indiana University Medical Center, Indianapolis, IN  
Physicians Skin Care, PLLC, Louisville, KY  
DermResearch, PLLC, Louisville, KY

#### **Biography**

Dr. Kircik is a Board Certified Dermatologist who graduated with AOA Honors from State University

of New York at the Health Sciences Center at Brooklyn after completing his undergraduate work with Phi Beta Kappa at New York University. He completed a Mohs Micrographic Surgery and Cutaneous Oncology Fellowship under the auspices of Dr. Frederick Mohs at the University of Wisconsin after completing his dermatology residency at State University of New York in Buffalo.

He currently teaches as Associate Clinical Professor of Dermatology at Indiana University Medical Center in Indianapolis, IN, as well as at Icahn School of Medicine at Mount Sinai Medical Center in New York City. Dr. Kircik is also the Medical Director of DermResearch, PLLC and Physicians Skin Care, PLLC in Louisville, Kentucky. He has been the principal investigator of numerous clinical trials for psoriasis, acne, rosacea, atopic dermatitis, skin cancers, and actinic keratosis, just to name a few.

Dr. Kircik is an author of many scientific articles, abstracts and posters. He has lectured extensively nationally and internationally on all aspects of dermatologic conditions. In addition, he also serves on the advisory boards of several pharmaceutical companies as a consultant. He is on the editorial board of *Journal of Drugs in Dermatology*, *Practical Dermatology*, *The Journal of Clinical & Aesthetic Dermatology*, and *Case Report in Clinical Pathology*. He volunteers for multiple local and national medical society committees.

## INSTRUCTIONS FOR INTERACTIVE TECHNOLOGY

If you would like to use your tablet or mobile device to answer polling questions, view the onsite presentations, and submit questions to the faculty, please follow the instructions below:

### 1. Get Connected

- Please connect to the **CME Outfitters network** with your mobile device or laptop. This network does not have a password.

*\* Please note that this network is a local network and does NOT mean you're connected to the internet.*

- Once you have joined the network, go to **arraylearn.com**
- You are now connected to the symposium. All content and polling questions can be viewed on your device as long as you are connected to the above listed network.

### 2. Ask a Question to the Faculty

- Please click on **"Ask a Question"** and type your question. Please include the faculty member's name if the question is specifically for them. Your question will be sent to the faculty for the question and answer portion of the session.

### 3. View and Take Notes on Presentation Slides

- Please click on the **"Take a Slide Note"** button. If you did not enter your email address when you joined the meeting, you will be required to do so for note taking. When the meeting is complete, all your notes will be emailed to you within 5 business days.

## OBTAINING CREDIT

In order to receive credit, please complete the evaluation/test form found on your table and turn them in to the CME Outfitters staff on your way out.

## PRESENTATION SLIDES

Downloadable resources will be available at  
[www.CMEOutfitters.com/PsAresources](http://www.CMEOutfitters.com/PsAresources)

## More Available Activities from CME Outfitters:

Check out a full list of activities on [www.cmeoutfitters.com](http://www.cmeoutfitters.com)

### Meeting Highlights from a National Dermatology Conference

In this CME Outfitters Snack and Meeting Highlights series, expert faculty translate insights and recommendations from a national dermatology and psoriasis conference in Las Vegas, NV about current and emerging psoriasis treatment, monitoring of patients on biologics, management of comorbidities, and quality of life.

Visit [www.CMEOutfitters.com/CM20066](http://www.CMEOutfitters.com/CM20066) to participate.

### The Management of Comorbid Conditions in Patients with Rheumatoid Arthritis

In this CME Outfitters decision-tree medical simulation participants will navigate the clinical challenges presented by a patient with RA. Along the way, expert faculty will provide guidance, insights, and evidence for the positive and negative consequences of their decisions. This actionable, evidence-based simulation and improve clinician confidence in their ability to recognize and assess comorbidities, improve coordination of care among health care providers, and develop personalized treatment plans for managing comorbid conditions in patients with RA.

Visit [www.CMEOutfitters.com/CM20149](http://www.CMEOutfitters.com/CM20149) to participate.

### Treating to Target in Patients with Gout and Chronic Kidney Disease

Audio responses from patient interviews will be at the center of the discussion in this CME Outfitters Live and On Demand as expert faculty discuss best practices, effective patient communication, and treatment options for patients with hyperuricemia or gout and chronic kidney disease.

Visit [www.CMEOutfitters.com/CM20163](http://www.CMEOutfitters.com/CM20163) to participate.

### Optimizing Care in IBD: Evidence, Cost, and Patient Goals

In this CME Outfitters Live and On Demand, expert faculty will highlight the clinical progression of IBD and its impact on patient outcomes and treatment choices. The panel will address risk/benefit of treatment options, direct and indirect cost, and clinical considerations critical to informed decisions about treatment plans for individuals with IBD.

Visit [www.CMEOutfitters.com/CM20151](http://www.CMEOutfitters.com/CM20151) to participate.
