

CME/CE Credit Request Form

The Immunosuppression Balancing Act: Preserving Long-Term Allograft Function for Optimal Patient Outcomes

Live Symposium – Tuesday, May 2, 2017

To receive CME/CE credit, you must complete all of this form and the evaluation form and turn them in to the CME Outfitters staff on your way out of the ballroom. Or you can fax it to: 614.448.4536. A certificate or statement of credit will be emailed to you within 4–6 weeks.

PLEASE PRINT CLEARLY (Form must be filled out completely to process CME/CE credit)

First Name, MI, Last Name: _____

Degree: MD DO RN NP
 PA PharmD RPh Other: _____

Specialty: Transplant Medicine Immunology Specialists Transplant Surgeon Nephrologist:
 Hepatologist Other: _____

Complete mailing address: _____

City: _____ State: _____ Zip: _____

Business Phone: _____ Fax: _____

Email (certificate or statement of credit will be emailed): _____

Type of CE credit requested: CME/Physicians (max. 1.25 _____) CNE/Nurses (1.25) CPE/Pharmacists (1.25)
 Others (1.25 CME Attendance Certificate)

NABP e-Profile number (Pharmacists Only): _____ Month and day of birth (MM/DD): _____

How did you learn about this continuing education activity?

Postcard/direct mail Email Internet Colleague Fax Other: _____

As a result of my participation in this live symposium, I will commit to:

- Assess my transplant patients at least every three months to monitor levels of immunosuppression. y n
- Regularly assess my transplant patients for DSA HLA antibodies to prevent AMR. y n
- Work with my transplant patients to develop long-term strategies to promote medication adherence. y n

CME/CE Activity Evaluation

The Immunosuppression Balancing Act: Preserving Long-Term Allograft Function for Optimal Patient Outcomes

Live Symposium – Tuesday, May 2, 2017

To receive CME/CE credit, you must complete all of this form and the Credit Request Form and turn them in to the CME Outfitters staff on your way out of the ballroom. Or you can fax it to: 614.448.4536. A certificate or statement of credit will be emailed to you within 4–6 weeks.

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
1. The course met the stated objective(s):					
• Monitor levels of immunosuppression in transplant recipients at least every three months to document success and long-term survival.	5	4	3	2	1
• Assess for DSA HLA antibodies to prevent AMR in kidney and liver transplants.	5	4	3	2	1
• Develop a long-term strategy to promote medication adherence through patient engagement and education.	5	4	3	2	1
The following learning objectives pertain only to those requesting CNE credit:					
• Explain how monitoring levels of immunosuppression can lead to success and long-term survival of transplant recipients.	5	4	3	2	1
• Describe how to assess for DSA HLA antibodies to prevent AMR in kidney and liver transplants.	5	4	3	2	1
• Identify a long-term strategy to promote medication adherence through patient engagement and education.	5	4	3	2	1
2. This activity helped me to have a better understanding of the topic(s).	5	4	3	2	1
3. This activity assisted me to consider using the information in a different way to improve my practice.	5	4	3	2	1
4. This activity provided me with resources I can use in my daily practice or with my patients.	5	4	3	2	1
5. This activity will support my routine clinical practice to deliver evidence-based best practice that improves patient health outcomes.	5	4	3	2	1
6. Rate the quality of the faculty member(s) listed below, from 5 (Excellent) to 1 (Poor):					
Speaker					
Flavio G. Vincenti, MD (moderator)	5 4 3 2 1	5 4 3 2 1	5 4 3 2 1	5 4 3 2 1	5 4 3 2 1
John R. Lake, MD	5 4 3 2 1	5 4 3 2 1	5 4 3 2 1	5 4 3 2 1	5 4 3 2 1
7. Will you change the way you practice based on this activity? <input type="radio"/> y <input type="radio"/> n					
If no, please state reasons: _____					
8. Do you feel the activity was balanced and objective? <input type="radio"/> y <input type="radio"/> n					
If no, please state reasons: _____					
9. Do you feel the activity was free of commercial bias? <input type="radio"/> y <input type="radio"/> n					
10. Approximately what percent of this content was NEW to you? <input type="radio"/> 25% <input type="radio"/> 50% <input type="radio"/> 75% <input type="radio"/> This was all new information to me.					
11. As compared to other CME activities you have participated in the past six months, do you believe this activity:					
<input type="radio"/> Increased your knowledge <input type="radio"/> Will improve patient outcomes in your practice					
12. In the past 6 months, how many CME programs have you participated in? <input type="radio"/> 1-4 <input type="radio"/> 5-10 <input type="radio"/> 11-15 <input type="radio"/> Greater than 15					
13. What was the most useful information you gained from this activity? _____					
14. Suggested topics for future activities: _____					
15. General comments/suggestions: _____					

Thank you for your feedback. Your comments will be reviewed carefully and ultimately used to guide the development of our future continuing education activities.
