Getting Ahead of Migraine

INTEGRATING PREVENTIVE STRATEGIES
INTO MIGRAINE CARE

LEARNING OBJECTIVES

- Apply knowledge of clinical features, symptoms, and key diagnostic criteria in the differential diagnosis of migraine.
- Assess safety and efficacy data supporting the role of agents that target CGRP in the prevention and management of migraine.
- Employ a patient-centered approach to the care of patients with migraine in order to improve outcomes, patient satisfaction, and treatment adherence.

The following learning objectives pertain only to those requesting CNE/CPE credit:

- Identify clinical features, symptoms, and key diagnostic criteria in the differential diagnosis of migraine.
- Explain safety and efficacy data supporting the role of agents that target CGRP in the prevention and management of migraine.
- Describe a patient-centered approach to the care of patients with migraine in order to improve outcomes, patient satisfaction, and treatment adherence.

ACCREDITATION STATEMENT

CME Credit (Physicians): CME Outfitters, LLC, is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. CME Outfitters, LLC, designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE Credit (Nurses): Provider approved by the California Board of Registered Nursing, Provider Number CEP 15510, for 1.5 contact hours.

Note to Nurse Practitioners and Clinical Nurse Specialists: the content of this activity pertains to pharmacology. Earn up to 1.5 contact hours of pharmacotherapeutic contact hours.

CPE Credit (Pharmacists): CME Outfitters, LLC, is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. 1.5 contact hours (0.15 CEUs) Universal Activity Number: 0376-0000-18-009-L01-P Activity Type: knowledge-based

ABIM/MOC Credit: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Andrew C. Charles, MD

Professor of Neurology
Meyer and Renee Luskin Chair in Migraine and
Headache Studies
Director, Goldberg Migraine Program
David Geffen School of Medicine,
University of California, Los Angeles
Los Angeles, CA

BIOGRAPHY

Dr. Charles is a Professor of Neurology at the UCLA School of Medicine, where he holds the Meyer and Renee Luskin Chair in Migraine and Headache Studies. He is Director of the UCLA Goldberg Migraine Program, which includes basic and clinical research, education, and care of patients with headache disorders. His laboratory focuses on cellular and pharmacological mechanisms of migraine and pain, with a particular interest in the development of novel therapies. He is an associate editor of the journal Cephalalgia, and he has served on the Board of Trustees of the International Headache Society. He currently holds the position of Treasurer of the American Headache Society.

INTEGRATING PREVENTIVE STRATEGIES
INTO MIGRAINE CARE

Grace Forde, MD

Director of Neurological Services
North American Partners in Pain Management, LLP
Lake Success, NY

BIOGRAPHY

Dr. Forde is Director of Neurological Services at North American Partners in Pain Management, Lake Success, New York. Previously Dr Forde was director of the Headache Clinic at North Shore University Hospital, Syosset, New York. She is the current Secretary of the New York State Pain Society.

Dr Forde is a member of the American Academy of Neurology, the American Pain Society, the International Association for the Study of Pain, the Long Island Headache Society, the American Association for the Study of Headache, and the International Headache Society. As part of her research, she has conducted multiple clinical trials assessing the safety and efficacy of medications for the treatment of headache and various neuropathic pain syndromes. In 1995, Dr Forde was honored with The Golden Neuron Award, which was presented to the best resident teacher by students in the neuroscience department of the University of California, San Diego School of Medicine.

She continues to teach and is involved in several different programmes dedicated to teaching other physicians about the management of chronic neuropathic pain and migraines. She has also published articles on neuropathic pain, myofascial pain syndrome and migraines.

Dr Forde is board certified in neurology and pain management. She has written and coauthored articles and book chapters on a variety of subjects, including the treatment of migraines, trigeminal neuralgia, postherpetic neuralgia, myofascial pain syndrome, and the diagnosis of low-back pain. She received her medical degree from the Albert Einstein College of Medicine, Bronx, New York, and completed a residency in neurology at the University of California, San Diego School of Medicine and a fellowship in pain management and headaches at the University of California, San Francisco School of Medicine.

INSTRUCTIONS FOR INTERACTIVE TECHNOLOGY

If you would like to use your tablet or mobile device to answer polling questions, view the onsite presentations, and submit questions to the faculty, please follow the instructions below:

1. Get Connected

- Please connect to the **CME Outfitters network** with your mobile device or laptop. This network does not have a password.
** Please note that this network is a local network and does NOT mean you're connected to the internet.*
- Once you have joined the network, go to **arraylearn.com**.
- **You are now connected to the symposium.** All content and polling questions can be viewed on your device as long as you are connected to the above listed network.

2. Ask a Question to the Faculty

- Please click on **"Ask a Question"** and type your question. Please include the faculty member's name if the question is specifically for them. Your question will be sent to the faculty for the question and answer portion of the session.

3. View and Take Notes on Presentation Slides

- Please click on the **"Take a Slide Note"** button. If you did not enter your email address when you joined the meeting, you will be required to do so for note taking. When the meeting is complete, all your notes will be emailed to you within 5 business days.

THANK YOU FOR JOINING US TODAY

This symposium will be available as a **web replay beginning May 21, 2018**, please check **www.CMEOutfitters.com** for more information on that date.
